SPIRIT AERONAUTICS is offering Challenger customers the opportunity to have new **Carpet with matching thread serged edges installed** in their aircraft for **\$18,000.00***.

Beautiful Carpet / Amazing Workmanship!

New carpet can make a HUGE difference in the appearance of an aircraft. Choose a color and design* that gives your aircraft the WOW factor whether it is nylon or wool pile carpet.

Spirit Aeronautics offers exceptional quality carpets from AIP, j-mish, Emery Park, OmaAvia™, Tapis, and Scott Group to name just a few.

The Spirit Aeronautics difference:

- Highly skilled Bombardier Challenger interior specific experts
- Ability to serge or bind carpet edges
- Access to the highest quality carpets in the world
- Real business aviation experience
- Experience with Interior Certification and Burn testing

Specific Details: Carpet will be removed & replaced with 100% new, customer selected* wool carpet with padding in the cockpit, cabin, & baggage areas. Carpet will be fabricated and installed with Velcro for easy removal/installation and all exposed edges will be serged with matching thread. Spirit will furnish two sets of entry throw rugs and a new vinyl loose fitting maintenance runner.

* Material price is based on typical materials. Pricing may change pending material selected by customer. Does not include taxes, shipping & handling, CMH fees, or other fees if required. Includes required certification and burn testing. Work performed at Spirit facilities. Pricing **valid until September 30, 2014**.
